

Food & Beverage Task Group Meeting At Pack Expo 2008

We will be holding our second Food & Beverage Task Group Meeting at Pack Expo, McCormick Place, Chicago, IL on November 10th. Our meeting will immediately be following the IoPP Chicago Chapter buffet luncheon and meeting. The FBTG meeting will run from 2:00 to 3:00 immediately following the Chicago Chapter IoPP meeting. Anyone interested in the Food & Beverage Task Group is welcome and encouraged to attend.

The Chicago Chapter of IoPP has graciously invited you and other members of the IoPP Food and Beverage Task Group to join them for a buffet lunch and an opportunity to network with other packaging professionals.

The Chicago Chapter IoPP Buffet Luncheon

Lunch items and drinks will be served.

WHEN: Monday, November 10th
11:30—1:30 pm

WHERE: PACK EXPO 2008 McCormick Place South,
Room S-503a

Please take this opportunity to have a break from the show, sit down with members of the FBTG and members of the Chicago Chapter and exchange information about the show.

Following the luncheon during the Food and Beverage Task Group Meeting we will introduce Ben Miyares, of PMMI who will share with us ideas and perspectives of the current packaging industry. In Ben's role at PMMI, he produces the world's largest packaging education conference, the Conference at PACK EXPO, where 1000+ industry leaders learn about trends and issues.

Ben Miyares has covered the packaging industry as editor, writer, market analyst and consultant for the past 45 years. His career began at Food and Drug Packaging magazine in 1963 where he was assistant editor. He has held editorial director, editor and managing editor for Food and Drug Packaging and seven other titles including PMMI's Packaging Machinery Technology magazine. His editorial efforts have earned him three Jesse H. Neal awards, the Pulitzer prize of American business press.
